### Notification of Overdue Account Reporting Threshold (without insolvency)

Notwithstanding [Article 2.3.iii] of the General Provisions of this contract, you are not required to submit a **notification of overdue account** and cover can be maintained for **deliveries** made to a buyer on whom such **notification of overdue account** was or should have been given provided that following conditions are fully and cumulatively applied:

(i) Total invoices outstanding amount do not exceed 20% of **debt** due by the relevant buyer. In no event this amount shall exceed [currency + amount].

and

(ii) the buyer concerned is not **insolvent**.

However if total invoices outstanding amount exceeds the above mentioned percentage and value or if after a period of five months from the date when the **notification of overdue account** was or should have been given the invoices outstanding amount remain unpaid, you undertake to give us a **notification of overdue account** and no further **deliveries** will be covered in application of [Article 2.3.iii.] of the General Provisions.
