111.05.12 科保字第1110040號函備查

Group Maximum Liability

Notwithstanding article 3.6 Maximum Liability of the General Provisions, we will apply a group maximum liability aggregating the maximum liability of the companies of your group listed herein.

The group maximum liability for [Policy A], [Policy B], [Policy C] etc... is XX-fold of the actual premium paid **or [Currency] [value] whichever is greater** for all these **Contracts** together for the *insurance period* concerned.

Claim payments shall be paid in the chronological order of occurrence of its trigger date; payments will be stopped once the group maximum liability is reached. We shall not be responsible for the sharing out of said payments between the companies listed herein.
